SCHOOL OF LAW

VISION

To be a Premier Institution for Legal Education recognized for academic excellence, ethical leadership and commitment to justice, fostering the development of skilled and socially responsible legal professionals who contribute to the advancement of law and society.

MISSION

- 1. Academic Excellence:** To offer a thorough education in law ensuring students to understand both the theoretical foundations and practical applications of legal principles.
- 2. To equip students** with skills necessary to practice law effectively, including legal research, writing, advocacy and ethical decision making.
- 3. To instill a commitment** to Justice, public service and ethical practice of law, encouraging students to use their legal education to serve the society.
- 4. Diversity and Leadership:** To promote diverse and inclusive environment where different perspectives are valued and preparing students to become leaders in a rapidly evolving legal landscape.

PROGRAMME OUTCOMES (POs)

The outcomes of an LLB (Bachelor of Laws) course typically focus on equipping students with a comprehensive understanding of legal principles, skills, and ethics.

PO1: Legal Knowledge: Demonstrate a thorough understanding of fundamental legal concepts, principles, and doctrines across various areas of law.

PO2: Analytical Skills: Analyze and critically assess legal issues, cases, and statutes to formulate coherent legal arguments.

PO3: Research Proficiency: Conduct effective legal research using appropriate tools and resources to find and interpret relevant laws and precedents.

PO4: Communication Skills: Articulate legal ideas clearly and persuasively, both in written form (such as legal memos and briefs) and orally (such as in moots and presentations).

PO5: Ethical Understanding: Recognize and apply ethical principles and professional standards in legal practice, demonstrating integrity and responsibility.

PO6: Practical Application: Apply theoretical legal knowledge to practical situations through case studies, internships, and simulated legal environments.

PO7: Problem-Solving Abilities: Develop effective solutions to complex legal problems, demonstrating sound judgment and decision-making skills.

PO8: Understanding of Legal Systems: Comprehend the structure and functioning of various legal systems and the role of law in society, including an awareness of international and comparative law.

PO9: Lifelong Learning: Foster an attitude of continuous professional development and awareness of current legal trends and issues.

These outcomes prepare graduates for various roles in the legal field, including practice as Advocates, roles in corporate law, public policy, or academia.

PROGRAMME SPECIFIC OUTCOMES (PSOs)

The Programme Specific Outcomes (PSOs) are specific statements that describe what graduates are expected to learn, and be able to perform in a specialized area of discipline, upon graduation from a programme. The PSOs of Bachelor of Laws LL.B. (Hons) Programme are as follows:

PSO1: Graduates will be able to apply their understanding of various legal principles under constitutional law, civil law, criminal law, international law, corporate law, labour law, company law and environmental law to real-world situations, demonstrating practical legal reasoning in different contexts.

PSO2: Graduates shall develop the skills of drafting various petitions, negotiation, collaboration and counseling.

PSO3: Graduates will have the ability to critically evaluate existing laws and draft legislation and policies, thereby making contributions both nationally and globally
