

FROM THE DESK OF HONOURABLE CHANCELLOR
TO ALL ALUMNI OF RAJAS GROUP OF INSTITUTIONS

Greetings from Joy University!

It is a great pleasure for me to write this letter to you on behalf of Joy University.

It need not be stated here that Rajas institutions have been fulfilling the noble mission of education for the last four decades and thousands of students have benefited immensely from it. I am proud to mention that our alumni today are spread across the globe, proclaiming the name and glory of our institutions in various capacities and standing as witnesses to our vision and commitment.

I am pleased to inform you that a new institution - Joy University has been established in Vadakangulam in 2022 to provide quality education at an affordable cost and to expand the areas of learning. To cater to the needs of the people, we offer degree programmes in Arts and Sciences, Engineering, Pharmacy, Nursing, Law, Allied Health Sciences and Agriculture with the most relevant curricula and innovative teaching, learning and assessment methods. Outstanding faculty members who have earned their Ph.D., graduate of IITs, NITs, BITs, Piani and other institutes of national importance have been recruited to teach our students and conduct research. We follow a cafeteria model to develop the hidden potential and talents of the students. We are also committed to provide state-of-the-art infrastructure facilities for seamless and joyful learning.

For this reason, we have decided to reach out to all our alumni and those who are well-wishers and solicit their help to further grow our educational institution and make it one of the most important centers of excellence in our region. We hope that you will unconditionally support us in our endeavour and make a financial contribution.

Your generous contribution will go a long way in realizing the vision of Joy University. I assure you that every penny you donate will be used for the development of Joy University and for the cause of education. You can donate to the construction of classrooms, buildings, laboratories, athletic facilities, research, entrepreneurship and business start-ups, as well as endowments and scholarships for students, and your contribution will be duly recognized by naming the classrooms, buildings, endowments and scholarships after your name or organization.

Please send your generous contribution through:
