a) **University Organogram Chart :** <https://joyuniversity.edu.in/IQAC#tab-8>

b) **Officers of University (Profiles with photographs & contact details):**

Chancellor: Dr. S. A. Joy Raja

Dr S. A. Joy Raja is a second-generation entrepreneur, and visionary, following his father's legacy in education, agriculture, and entertainment industries. With a student-centric approach, he established the Joshua Educational and Charitable Trust, under which The Indian Agriculture College, Radhapuram, and The Rajas International School, Kottayam, were founded in 2014 and 2016, respectively. He is also the Chairman of Rajas Group of Institutions, which successfully operates The Indian Polytechnic College, Rajas Institute of Technology, The Rajas International School (CBSE and British System), and The Indian Matriculation School.

As an alumnus of American universities, Dr S. A. Joy Raja worked at Johnson & Johnson in Toronto, Canada. After several years of corporate experience in the United States and Canada, he returned to India to dedicate himself to developmental activities in education, entertainment, and agriculture. He established the first mall in Kanyakumari District, "RAJAS MALL," which features "CHAKRAVARTHY CINEMAS." This theatre complex is equipped with the latest 4K digital video and Dolby Atmos audio system, the first such installation in southern Tamil Nadu. The mall also houses "RAJAS MART," offering a diverse selection of premium branded products.

Dr S. A. Joy Raja also founded "RAJAS DAIRY FARM" in collaboration with the Swedish company DeLaval Systems. This state-of-the-art facility provides high-quality cow's milk to the people of Kanyakumari District. The farm is associated with The Indian Agriculture College, affiliated with Tamil Nadu Agricultural University, Coimbatore, to support the cultivation of maize and other feed crops for the Holstein Friesian (HF) cows, ensuring the highest quality milk production.

With over 25 years of experience in education, entertainment, and agriculture, his success is guided by the principle, "We trust in God." He believes that with the

appropriate inspiration, encouragement, and knowledge, individuals can achieve extraordinary results for the benefit of society. Dr S. A. Joy Raja has mandated that CSR initiatives focus on providing educational skill development, health and hygiene resources, and opportunities to enrich the lives of underprivileged and differently abled individuals. He is also committed to environmental sustainability through the adoption of advanced technologies and the support of community engagement.

Dr S. A. Joy Raja dedicates his time and energy to promoting inclusive growth opportunities within society, driven by an unwavering pursuit of excellence and a commitment to addressing societal needs.

Pro-Chancellor: Mrs. Gino Joy Raja

A seasoned educator, Mrs. Gino Joy Raja has 25+ years of experience in School Administration. The School represents her holistic, progressive approach to education and her constant endeavour is to provide various educational opportunities to all.

Mrs. Gino Joy Raja is a scrupulous leader as it is under her tutelage that every day thousands of minds are inspired and educated. Indeed she is a true personification of leadership as she believes in assimilating a powerful value system in the students.

The deep passion and igniting desire to make a difference in the lives of the children continue to burn bright in her heart. She leaves no stones unturned to venture into newest and challenging pedagogical territories in a bid to nurture pupils with etiquettes, social graces, moral values and a deep love for our culture ensuring holistic development and academic excellence.

Mrs. Gino Joy Raja perpetual aim is to groom a perfect generation and fully develop their innate potential in the present competitive world. As a successful premiere and inspiring leader she displays a committed resolver to serve the community at large and has become instrumental in its betterment and its upliftment.

Vice Chancellor: Dr. Vaibhav A Meshram

Dr Vaibhav Meshram received his B.Tech. degree in Electronics and Communication from the prestigious National Institute of Technology Kurukshetra (formerly Regional Engineering College Haryana) in 1992, his M.Tech., degree in Microelectronics from IIT Bombay in 1999, and his Ph.D. in Nanoelectronics from BITS Pilani in 2012, specializing in 22 nm technology.

❖ Core Faculty:

At Joy University, excellence is a shared commitment across both teaching and non-teaching faculty. Our full-time faculty members at Joy University, through their persistent pursuit of a unity between research and teaching, bring together the most extensive kinds of expertise to collectively solve real world problems. Individuals represent the core faculty of Joy University from top-notch institutes in India and abroad. They contribute not only intellectual depth and research acumen, but also an inspiring academic presence that empowers every student's journey.

Equally our non-teaching staff are just as important—they are the hardworking people who help keep everything at Joy University running smoothly. Whether it's handling office work, helping students, taking care of the campus, or managing technology, their efforts behind the scenes create a comfortable and supportive place to learn and grow.

Together, our faculties and supportive staffs build a strong and caring environment where learning is encouraged, futures are shaped, and everyone is respected and valued.

f) Library:

The Joy University Library serves as the central hub of academic and research activities across campus. Equipped with state-of-the-art infrastructure and a robust collection of both print and digital resources, the library is fully automated and integrates modern technologies to enhance user experience.

To streamline access to information, a Web OPAC (Online Public Access Catalog) is available, enabling students and faculty to efficiently locate and retrieve materials.

The library's extensive collections span multiple disciplines including Engineering, Computational Intelligence, Natural Arts, Entrepreneurship and Management, Law, Pharmacy, Agriculture, Nursing, Life and Health Sciences, Design, Science, and the Humanities.

Joy University maintains subscriptions to a diverse array of national and international journals and magazines. Currently, three well-resourced libraries operate across the university, each supporting teaching, learning, and research with a wealth of online and offline materials.

In a bid to expand its digital reach, the University has signed a Memorandum of Understanding (MoU) with DELNET (Developing Library Network), providing users access to an extensive range of e-books and e-resources. Additionally, the Inter Library Loan (ILL) service through DELNET further enhances the availability of academic content for the university community.

Joy University Library is an active member of the National Digital Library of India (NDLI) and has established the NDLI Club to provide seamless access to over 10 crore scholarly resources. The library also offers facilities for accessing NPTEL video lectures, a wide range of online journals and databases, and supports users in their project work and research activities.

Highlights of the Library:

- Automated circulation service for users.
- Reference service, Delnet access, E Journals services are provided.
